Why gamble your hard earned money on a game that might not make it when you have a sure bet with **LITTLE CASINO?**

**LITTLE CASINO** is a bar-top game that offers the player or players four different games: **POKER, BLACKJACK, CRAPS, or HI-LO**... all easy, all familiar, all popular. No spaceships or bouncing monkeys.

And no need to worry about legal hassles with our game either. There's no ante up with **LITTLE CASINO**, there are no free games or credits awarded, and there's no knock off meter to tempt your patrons.

What you've got is a safe investment with

a full cash box... week after week after week. No one can tie up the game because there are no replays and no patterns to be learned. But the roll of dice and the turn of the cards will keep your players amused time after time. Just ask the operators you know who've had **LITTLE CASINO** on customers' locations for over a year... and still earning strong. "It's a gold mine," says one.

for them.

And here's a plus: you can program the new **LITTLE CASINO** to display your customer's advertising messages during idle moments. Imagine—a personalized game for each locale!
